Using the Digital Library

A Library is not only a physical place where to go to study, full of books to borrow and with free Wi-Fi connection.

A library is also something more
It's the Digital Library!

<http://bibliotecadigitale.cab.unipd.it/en/>

Access **Galileo Discovery**, the main entry to the Digital Library, to read and download books and journals, search data banks and much more

GalileoDiscovery.unipd.it/

Off-Campus you can reach the Digital Library all the time and from everywhere, from your PC- laptop - mobile through Auth-Proxy and SSO. Check the library website for details
